Team Formation & Infrastructure

Course: Introduction to Data Mining

Project Phase: Team Setup & Collaboration Framework

1. Group Information

Role	Name	Email	GitHub Username
Member 1	Gehari Gokavarapu	ggokavar@charlotte.edu	GehariGokavarapu
Member 2	Yashvi Patel	ypatel35@charlotte.edu	ypatel841
Member 3	Emma Davidson	edavid11@charlotte.edu	edavid11-rep
Member 4	Voldie Louza	klouza@charlotte.edu	voldielouza

2. Operational Norms

Preferred Mode of Communication: *(Please check one as the main one)*

[V] Discord - https://discord.gg/WQbp9ZXXT

[V] Email - Mentioned in table

[V] Zoom - https://charlotte-edu.zoom.us/j/97589868550

Software Sharing Infrastructure: *(Please check one)*

[V] **GitHub** (Recommended: provides professional version control) - https://github.com/GehariGokavarapu/Project-Wellness-Grocery-Inventory-Analysis---Team-4.git

[V] **Google Drive** (Only for non-code assets/drafts) - ITCS 3162 - Team 4

Weekly Sync:

- **Scheduled Meeting Time:**

Saturdays - 11 am (Subject to change)

- **Zoom/Meeting Link:**

https://charlotte-edu.zoom.us/j/97589868550

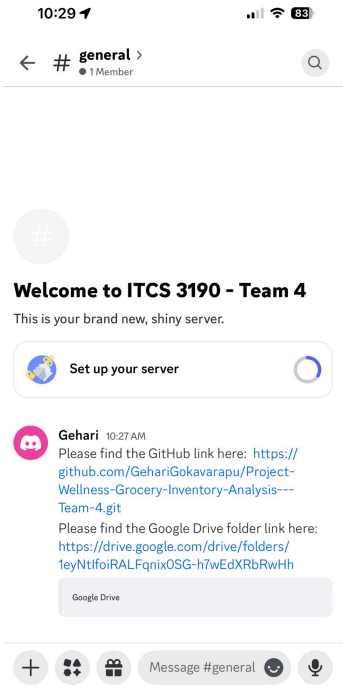
(Note: Please ensure this is a recurring link with all members added/invited)

3. Submission Proof & Requirements

Please attach the following documentation to this file before submitting.

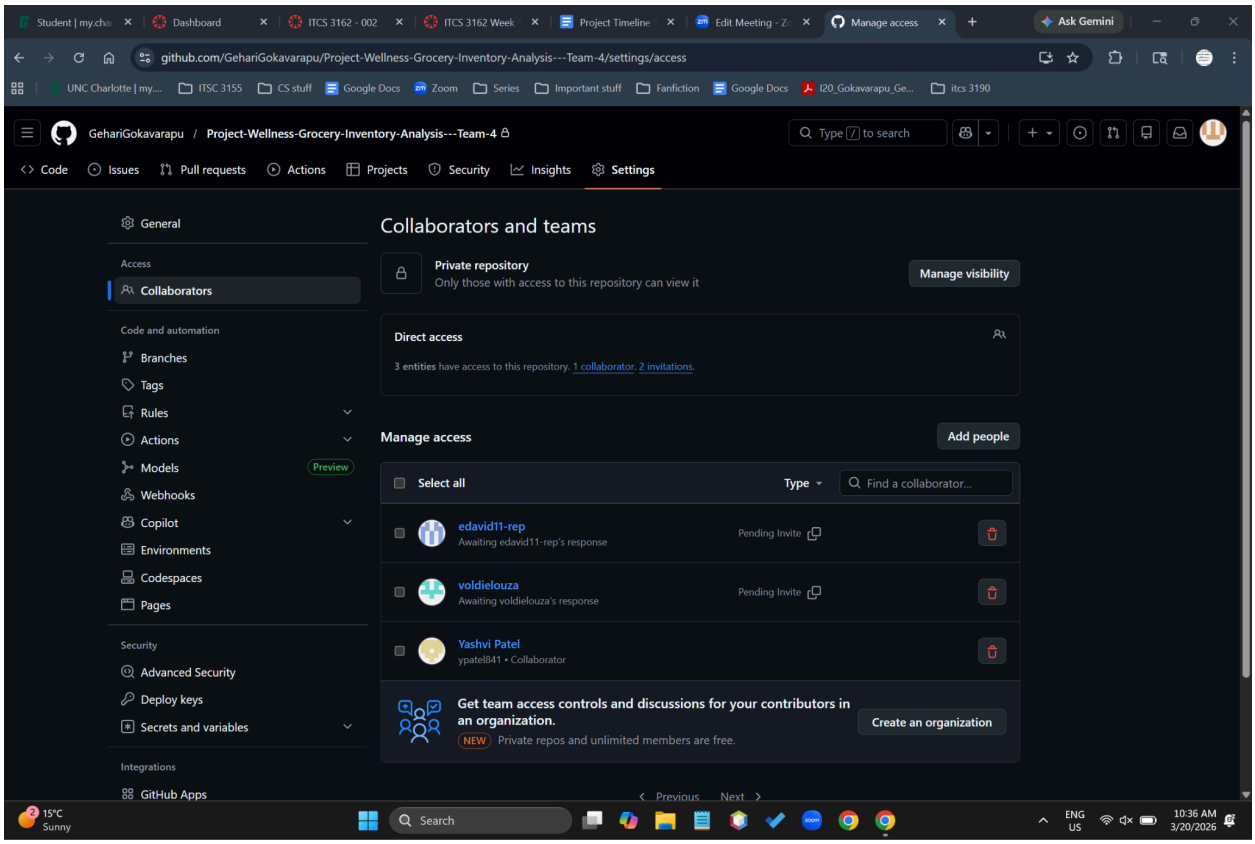
A. Communication & GitHub Verification:

- Attach a screenshot of your primary communication channel (e.g., Discord server, Slack, Email, Google Chat) that shows the **GitHub Repository URL** or google folder link has been shared with all group members.



B. Software Sharing Proof:

- **If GitHub:** Attach a screenshot of the repository "Contributors" page OR a screenshot of each member's individual GitHub profile.

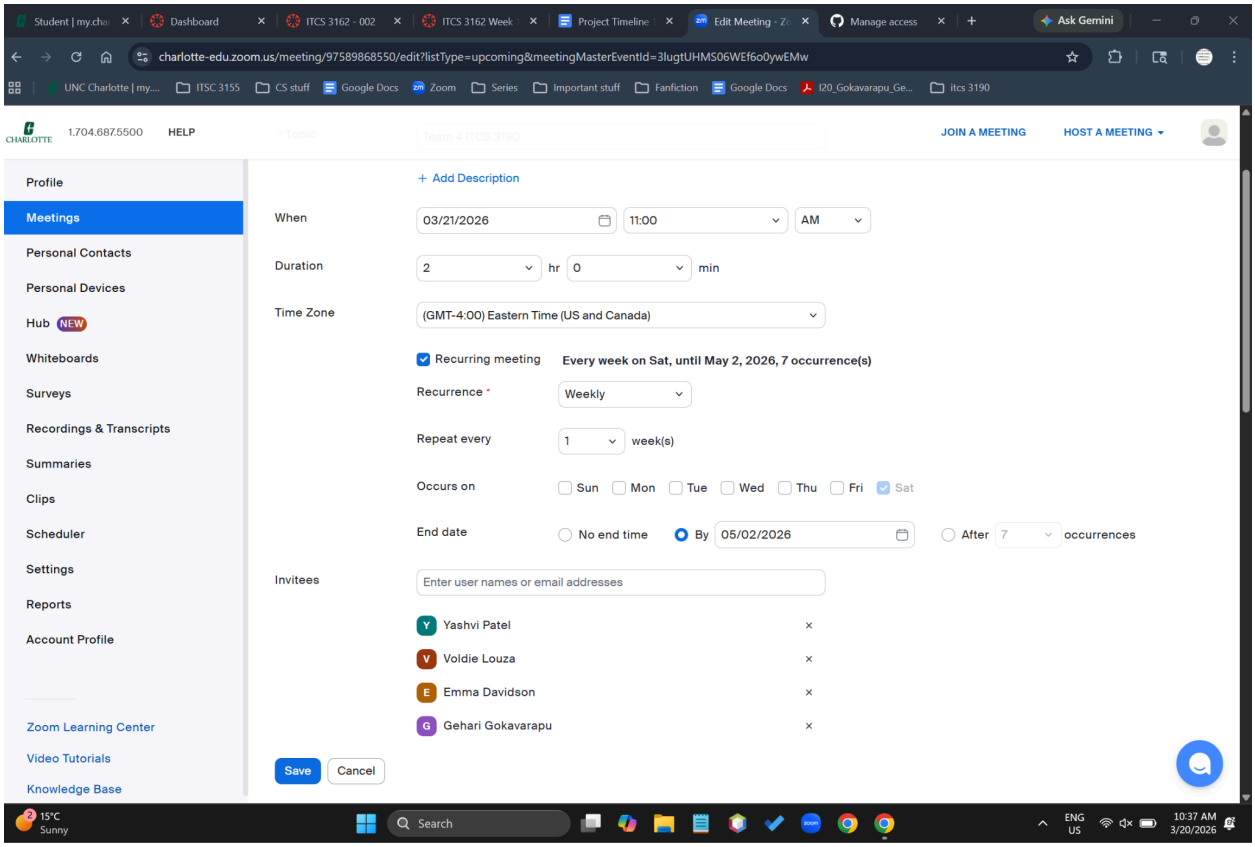


- **If Google Drive:** Paste the link to a **shared folder** that contains all group members. *Ensure the folder is set to "Anyone with the link can edit" or is shared explicitly with all team members.*

ITCS 3162 - Team 4

C. Meeting Verification:

- Attach a screenshot of the calendar invite or Zoom meeting settings confirming the **recurring** weekly time and that all members are added to the invite.



4. Submission Checklist

Before you upload your document to Canvas, ensure you have checked every box below. Incomplete submissions will not be accepted.

- [V] **Group Details:** Are all member names and emails filled out?
- [V] **Communication:** Have you selected your primary mode of communication?
- [V] **Topic Selection:** Has your team decided which topic you will work on for the course project?
- [V] **Repository:** Is the link to your shared GitHub repository or Google Drive folder included? Do you include a README.md? Do you plan to include the "Contribution Log" to the README.md?
- [V] **Meeting:** Is your weekly meeting time confirmed, and have you attached a screenshot of the **recurring Zoom/Calendar invitation** showing all members are added?
